The proprietor will devote his personal attention to the Profession at this House, and construct the PALMER LIMBS, (under the New Patents,) in *unexampled perfection. Thousands of these Limbs* are worn, (though few are suspected,) and a galaxy of *gold and silver medals* (fifty "First Prizes" won, over all competition, in the principal cities of the world) attests the public value of these Inventions. *All genuine Hands, Arms, Feet and Legs, have the name of the inventor affixed.*

Pamphlets which contain the *New Rules for Amputations,* and full information for *persons in want of limbs,* sent free to applicants, by mail or otherwise.

The attention of Surgeons, Physicians and all persons interested, is most respectfully solicited.

ROYAL INSURANCE CO.

FIRE AND LIFE,

OF LIVERPOOL.

Subscribed Capital,	$10,000,000
Paid-up Capital and Assets,	4,257,420
Held in New York,	543,302

The correctness of the above statement is certified to by the United States Consul in Liverpool, and a Notary Public in the city of New York.

The **increase** of the "**ROYAL**" **Fire Premiums** is more than **double that of any other Company,** and more than **30 per cent.** of the entire increase of all the London offices combined. The Auditor-General's report shows that the premiums of the "**ROYAL**" in this city are **40 per cent.** of all the premiums received by the Foreign offices in Philadelphia.

LOSSES SETTLED IN PHILADELPHIA WITHOUT REFERENCE TO LIVERPOOL, BY

GEORGE WOOD, Agent,

No. 226 Walnut St., Philadelphia, Fire Office, First Floor.

ROYAL LIFE INSURANCE BRANCH,

No. 226 Walnut Street, Second Floor.

Independent of the above sums, the "**ROYAL**" **Life and Endowment Fund** amounts to

$1,620,000.

This Fund is, in proportion to the risks it represents, as large as the funds of the best mutual and other life insurance establishments, yet the Company offers as additional security to life insurers its entire capital and assets.

THE ROYAL LIFE OFFICE insures on the lowest terms compatible with absolute security. Its premiums are not higher than those of mutual and other companies.

THE ROYAL LIFE exposes the insured to none of the dangers inherent in the mutual system.

The premium paid is not an expenditure, but an investment.

The **Dividends** of the "**ROYAL,**" hitherto amounting to 2 per cent. per annum on the sum insured, are the highest ever continuously paid by any reliable mutual company, while the advantages offered by the "**ROYAL**" are tantamount to non-forfeiture of life policies.

Policies can be surrendered to the Company at their equitable value, or new policies granted in lieu thereof, without further payment of premiums.

Further information may be had by personal application, or by letters, directed to the

Life Department of the Royal Insurance Company,

THIS COMPANY, organized in 1846, on a system entirely *Mutual*, furnishes Insurance in all the various forms, and to meet all the various contingencies for which Life Insurance is desired, at the *actual cost* to the policy-holder. There is no *Stock* or *Guaranty Fund* to absorb the profits, but all the *surplus* is annually allocated to the policy-holders, in proportion to the amount of the premium they pay, and may be appropriated to the payment of *renewal* premiums, after the first four years.

Some of the Important Reasons why this Company should be Preferred.

It offers *abundant* SECURITY, in a large accumulated Fund, derived from premiums, amounting to *Six Millions of Dollars.*

Its ECONOMY in the management of business permits large dividends to policy-holders, which have averaged **50 per cent.** per annum.

Its DIVIDENDS are ANNUAL, and are paid, *during the life* of the assured, in cash to those who pay their premiums in cash, or applied in canceling the notes of those who pay their premiums partly by note. Over $216,000 has been thus refunded to policy-holders during the past year.

It is prompt in PAYMENT OF LOSSES.

It ACCOMMODATES the insured in the settlement of their premiums on *Life* policies, by receiving a note for *one-half*, when the premium amounts to $50 or more,—thus furnishing insurance for double the amount, for nearly the same *cash* payments, as is required in an "ALL CASH COMPANY."

Much has been recently written and extensively circulated, by a prominent Life Insurance Company, condemning the *credit* or half-note system, as practiced by this and some other prosperous Companies. The illustrations accompanying those attacks explanatory of the system, exhibit either an inexcusable ignorance of the plan, or a wanton effort to mislead and prejudice those who seek insurance upon the most *equitable and economical plan.* The explanations thus published to illustrate the *half-note* system, do not, it is believed, apply to *any* Company in the country, certainly not in the least degree to the CONNECTICUT MUTUAL, in which there cannot be any accumulation of premium notes beyond *four* half premiums; as the dividends apply to cancel those notes after the first *four* payments. Parties are not, however, *required* to give a premium note to this Company; but, if preferred, may pay *all cash,* in which case, their dividends are applied to a reduction of the premium.

The Directors have ordered the dividend of 1860 to be paid during the current year, as the renewals become due and are paid—by reduction of the premium of those who have paid all cash, or canceling the notes of those who have given notes for one-half.

FAMILY MEDICINES

Are prepared with great care expressly for family use, and are so admirably calculated to preserve the health and remove disease, that no family should ever be without them.

THEY CONSIST OF

JAYNE'S EXPECTORANT, for Coughs, Consumption, Asthma, Bronchitis and other Pulmonary Affections.

JAYNE'S TONIC VERMIFUGE, for Worms, Dyspepsia, Piles, General Debility, &c.

JAYNE'S SPECIFIC FOR THE TAPE WORM. It never fails.

JAYNE'S LINIMENT, or COUNTER IRRITANT, for Sprains, Bruises.

JAYNE'S SANATIVE PILLS, for all Bilious Complaints and Diseases of the Liver; a valuable Alterative and Purgative Medicine.

JAYNE'S HAIR TONIC, for the Preservation, Beauty, Growth, and Restoration of the Hair.

JAYNE'S LIQUID HAIR DYE, also, AMERICAN HAIR DYE, (in powder,) each of which will change the Hair from any other color to a beautiful Black.

These Medicines have now been before the public for thirty years, and during this long period the demand for them has been constantly increasing, and their reputation gradually spreading, until their great curative powers have become known and thoroughly appreciated in all quarters of the world. While, however, the Proprietor is fully persuaded that they will give very GENERAL, if not UNIVERSAL satisfaction, it is not pretended that they are "CURE ALLS," nor that they are, in all cases and under all circumstances, absolutely infallible. Yet he can truly say, after thirty-six years' experience, in an extensive and diversified practice, and with a full knowledge of the medical qualities and effects of the component parts of each of the above-named articles, that there is no combination of medicines which have been so generally successful as these, in removing the various diseases for which they are severally recommended.

It should be borne in mind, too, that the popularity of these "Family Medicines" is not confined to the illiterate and credulous, but innumerable persons of intelligence and character, occupying the most prominent stations in society,—too honest to impose upon others, and too sagacious to be imposed upon themselves,—not only use, but speak of them in the highest terms of praise, for the uniformity of their success in subduing diseases.

THESE MEDICINES ARE PREPARED ONLY BY

DR. D. JAYNE & SON,

No. 242 Chestnut St., Philadelphia,

And may be had of Agents throughout the country.

INSURE YOUR LIFE IN THE

WASHINGTON LIFE INSURANCE CO.,

OF NEW YORK,

Which offers more advantages to Insurers than any other Company in the United States.

ITS PROMINENT FEATURES ARE AS FOLLOWS:

Permanent Capital Stock of $125,000, now largely added to by accumulation. Accumulated Capital, $500,000.

Stockholders receive *legal interest only* on their stock, which the capital has thus far *more* than earned for them.

Policy-holders receive ALL THE PROFITS.

It is the *only* Stock Company whose charter expressly requires the distribution of ALL THE PROFITS among the Policy-holders, thus being purely mutual in character.

The Company has, therefore, all the advantages and security of a *Stock and Mutual Company combined*, without their separate disadvantages.

Dividends to Policy-holders once credited are never forfeited. This is the *only* Company that guarantees this simple act of justice.

Proportion of Assets to Liabilities is larger than most other companies. The following figures, from the official report of the Massachusetts Insurance Commissioners for January, 1863, page 22, shows the standing of ten companies doing business in Philadelphia, considered as to the security furnished by their entire assets for each $100 at risk:

The Decimal System of Numbering Houses.

One Hundred Numbers are set apart for each square, and the initial or starting-points are at the Delaware River and Market Street.

Persons can, by merely looking at the numbers on the Houses, know how many squares they are from the Delaware or Market Street.

By-Streets are numbered as though they extended to the Delaware or Market Street.

Numbers properly arranged, suggest distances to the mind; but improperly placed, they lead to confusion.

SCHENCK'S

PULMONIC SYRUP,

For the Cure of Consumption, Coughs & Colds.

The great virtue of this medicine is, that it ripens the matter and throws it out of the system, purifies the blood, and thus effects a cure.

SCHENCK'S

MANDRAKE PILLS,

For the Cure of Liver Complaint, &c.

These Pills are alterative, and produce a healthy action of the Liver, without the least danger, as they are free from Calomel, and yet more efficacious in restoring a healthy action of the Liver.

SCHENCK'S

SEA-WEED TONIC.

For the Cure of Dyspepsia, Indigestion, &c.

The Tonic produces a healthy action of the Stomach, creating an appetite, forming chyle, and curing the most obstinate cases of Indigestion.

These remedies are a certain cure for Consumption, as the PULMONIC SYRUP ripens the matter and purifies the blood. The MANDRAKE PILLS act upon the Liver, create a healthy bile, and remove all disease of the Liver, often a cause of Consumption. The SEA-WEED TONIC gives tone and strength to the Stomach, makes a good digestion, and enables the organs to form good blood, and thus creates a healthy circulation of healthy blood. The combined action of these Medicines, as thus explained, will cure every case of Consumption, if taken in time, and the use of the Medicines persevered in.

Dr. Schenck's Principal Office is at No. 39 NORTH SIXTH STREET, where he can be found every Saturday to prescribe his remedies, to give advice, and examine lungs with his Respirometer, if required.

PRICE OF THE PULMONIC SYRUP,

$1 per Bottle, or $5 per half dozen.

PRICE OF THE SEA-WEED TONIC,

1864

Entered, according to Act of Congress, in the year 1864,

By A. McELROY,

In the Clerk's Office of the District Court of the United States, in and for the Eastern District of Pennsylvania.

PREFACE.

To canvass a large city like Philadelphia, containing a population of nearly 600,000 inhabitants, scattered over a territory of about 288 square miles, to obtain the names of business people and housekeepers, together with young men residing at home and in boardinghouses, and to compile from over 200,000 names, written indiscriminately on slips, the number usually published, so as to avoid duplicates and other inaccuracies,—may be considered by the inexperienced quite an easy matter. But after the annual experience of twenty-eight years, the compiler hesitates not to state that it requires an amount of physical activity and strength scarcely to be estimated.

Then, too, difficulties are to be surmounted. These meet the canvasser at almost every door. The man of business is engaged with his customer; the clerk has long and numerous invoices to complete in a given time, and if perchance the canvasser may find some one having leisure enough to give information, he is doubtful as to whether the name is Joseph or James, John Smith or John Smyth, whether the number of the dwelling is 920 Green street or 920 Coates street. Then, too, he is not certain whether it would be agreeable to the proprietor of the place of business to have all the clerks located at 520 Market street, and finally refers the canvasser to the dwelling, all the clerks, salesmen, and bookkeepers being too busy to give information at the store. The canvasser does the best he can, and makes his application at the dwelling of the citizen. The bell is rung, and the party inside responds. The question is put, "Who resides in this house?" The reply is, "Mr. Pierce." "The first name?" *Believes* it to be Richard. "Can you say how it is spelled?" No. "Will you inquire of Mrs. Pierce?" The lady is too much engaged, and sends word to the canvasser to call at 520 Market street. To this exceptions are taken, but of no avail, so that whether the name is *Pierce*, or *Peirce*, or *Pearce*, remains to be settled by the canvasser, subject to the revision of the compiler. Another house is visited, the same inquiry made, but the only response is, "Sure you are *drafting*." The canvasser attempts to reason with the respondent, but in vain; the door is closed without ceremony. And thus from door to door the same difficulties are to be encountered and overcome. Nor is this all. The utter carelessness of a majority in reference to the matter at all is not among the least: perhaps it is the greatest obstruction to the publication of a more correct City Directory; besides many persons are out of the city, and information has to be obtained as best the canvasser can. These, and other difficulties which might be named, superabounded this year. The "draft" seemed to be the terror of all classes, and in no year have there been so many refusals to give names. The compiler, however, is glad to say that he has accomplished his work, and now presents the Philadelphia City Directory for 1864 to the favorable judgment of the public, and asks for the substantial aid which it needs.

The continued high price of printing paper, and the very great advance of the price of labor and all material used, have made the work much more costly than usual, yet the price remains the same.

A. McELROY.

January, 1864.
